Attendance

We reached **92.2%** attendance for the Spring term this is **well below** our whole school target of **95%**.

Please help us to get back to target level.

Best attendance for classes this week are as follows:

Y6 Juno 95.0%

Y2 Endeavour 95.0%

Y3 Jupiter 96.8%

Y2 Gemini = 97.7%

Well done to everyone!

Attendance Matters

Every student. Every day.

Ms Wilson's message

Dear TPS families,

We have come so quickly, it seems, to the end of another half term, where we have shared many delights.

Magic Breakfast sent us a range of breakfast foods which we were able to share with many families. We had another amazing end to the half term with a 'staff bring and share lunch' and a wonderful singing assembly led by Mrs De Souza.

The children and staff were warmed by the songs 'Here comes the sun' (George Harrison) 'You've got a friend' (Carole King) and 'Raindrops keep falling on my head' (Burt Bacharach) and a Nigerian Folk song about peace, health, welcome: Funga Alafia-beautiful.

Thanks, as always, to the TPA for organising the bake sale and for all the families that sent in baked goodies!

Have a fantastic break and I'll see you on the other side!

World Book Day 2026 is just around the corner! It is taking place on Thursday 5th March.

We have lots of exciting events planned leading up to World Book Day and on the day itself.

#ReadYourWay

We are inviting your child to come to school on World Book Day dressed up as their favourite book character, a historical figure from a non-fiction text, or ANYTHING they feel comfortable wearing to settle down and read a good book! Your child will have received their World Book Day £1 Book Token today which can be redeemed in participating retailers from TODAY!

RAMADHAN PRAYER ROOM

12:30-1pm

ICT Suite

23rd February-20th March

During Ramadan, a prayer room will be available in school for children and adults to use. The room will be supervised by an adult at all times and is intended for prayer and quiet reflection.

STEM WEEK

seeking volunteers

This year the children will be taking part in a STEM week centred around the theme of 'Curiosity'.

We would love to enrich the children's learning through educational talks/workshops with individuals working in STEM careers.

If this is something you would be interested in or can support with, please contact the school and we can get back to you with arrangements!

email: parents@tootingprimary.org

The School Street is designed to make the journey to and from school safer for children, reduce congestion, improve air quality, and encourage more active travel.

It is important to **remember**, though, that **it is still a road**.

Some vehicles are permitted to use the road during School Street operating hours, and so we must all continue to apply the usual caution and checks we would use on any street.

Please drive with caution!

Help your child to build strong road safety habits.

STOP, LOOK, LISTEN and THINK.

HIGHLIGHTS OF THE WEEK

Year 3 Viking visit to London Transport Museum

We visited the London Transport Museum to explore the stories of the London Transport Caribbean Workforce and to build on our understanding of the experiences of the Windrush generation. We also explored the legacies of passengers from Notting Hill Carnival to cricket through immersive role play with costumes and props.

Year 3 trip to the London Transport Museum

On Monday 9th February, the Year 3 children in Jupiter and Viking class enjoyed a lovely trip to the London Transport Museum. As we have been learning about the journey of the Caribbean people who travelled to the London on the HMT Empire Windrush, we participated in an amazing workshop where we learnt more about the vital role that Caribbean people played in rebuilding Britain after the Second World War. Becoming bus drivers, carnival goers, cricketers and more, we put ourselves into the shoes of those who travelled to Britain as part of the Windrush generation.

HIGHLIGHTS OF THE WEEK

Y3/4 NEW AGE KURLING COMPETITION

WELL DONE TO THE CHILDREN IN YEAR 3 AND 4 WHO REPRESENTED TPS AT THE NEW AGE KURLING COMPETITION LAST WEEK, WE MANAGED TO PROGRESS THROUGH THE INITIAL GROUP PHASE BEFORE AN EXTREMELY NARROW TIE BREAKER DEFEAT IN THE QUARTER FINAL.

**SURREY
CRICKET
FOUNDATION**
FOUNDED 1996

Children in years 1,2 and 3 have been very lucky to have a Surrey Cricket coach teaching them every Friday since returning from the Christmas Holidays, the children have been working on developing their hand eye coordination as well as their striking and fielding skills!

Reception set off on their very first visit to Tooting Library on Monday afternoon and what a great adventure it was! Before leaving, we drew maps to plan our route, then walked in pairs, carefully practising our road safety rules along the way.

At the library, we listened to a delightful story called, 'Slug in Love!', which gave us lots of laughs.

The children loved exploring the shelves and were very excited to choose books to bring back and add to our class collection. We can't wait to read them together!

WHAT'S THE SCOOP IN THE DISCOVERY ZONE

GALAXY NEWS

For the last two weeks of the term, Galaxy Class has been busy learning, playing, and sharing together. The children have enjoyed exploring their creativity by using a variety of different materials to design and make sea animal collages, carefully selecting textures and colours to bring their artwork to life. Alongside this, they have been developing their writing skills by creating non-chronological reports, learning how to organise information clearly and use facts to teach others about their chosen topics.

We also had a very special visitor when one member of Galaxy Class brought in their pet to show everyone. The children loved meeting the animal and asked lots of thoughtful questions, making it a memorable and exciting experience for the whole class.

VOYAGER

Week commencing: 09/02/26

In Our Classroom

This week in Voyager we have been using colourful semantics to write sentences about our English story Handa's Surprise. Students used visuals to track the sequence of the story. Some used a combination of writing and pasting skills whilst others were supported to complete the task happily.

LITTLE EXPLORERS

Week commencing: 09/02/26

In Our Classroom

This week in Little Explorers, we have been focusing on requesting through a range of fun and engaging activities.

On Monday, we enjoyed a mini tea party in Lex. The children were given three food options and were encouraged to choose what they would like to eat. Some children chose a chocolate biscuit, while others opted for a breadstick or an apple. All of the children were able to engage in the activity and confidently request their chosen item.

On Tuesday afternoon, the children independently decorated their own biscuits, showing great focus and creativity.

On Thursday, we had an amazing time visiting the Sea Life Aquarium, where the children enjoyed looking at a variety of sea animals and fish. Once again, thank you to all the parents for your continued help and support – it is greatly appreciated.

Name	Class	Reason
Little Explorers	Little Explorers	On our trip to London Sea Life, you all showed outstanding behaviour, fantastic listening, and brilliant teamwork. You all stayed safe, followed the rules, and were a wonderful example of how to behave on a school trip.
Hassan	Voyager	For engaging well in his Maths and taking pride in his accomplishments. Well done Hassan.
Arisha	Galaxy	This week, we're excited to celebrate Arisha Khan as our Star of the Week! Arisha has shown incredible dedication, focus, and a strong work ethic in everything she's taken on. She consistently puts in her best effort, stays positive, and goes the extra mile to make sure her work is done to a high standard. Her hard work and commitment have truly stood out, and we're so proud of all she has accomplished this week.
Dorothea	Apollo	Dotty has been shown such kindness towards her peers, celebrating their achievements and being a great friend. She has also demonstrated amazing effort in her writing; practicing her phonics sounds and orally blending. Well done Dotty!
Ruqayyah	Mercury	For our 100 days of school, Ruqayyah has demonstrated excellent teamwork when making decorations and has been using her phonics knowledge to write what she wants to be when she grows up. She consistently shows all our values and she should be proud of herself!
Shehzeen	Atlantis	Shehzeen has made excellent progress in her phonics, and this has been reflected in her increasing independence in her reading and writing. She has shown such resilience and growing confidence, and we are really proud of her efforts! Well done, Shehzeen!
Jasper	Enterprise	Jasper has shown great focus and care with his work this week. He has made outstanding progress with his writing in Year 1, and has shown such resilience and determination with his presentation. We have also noticed Jasper making great choices this week, being a kind friend both in the classroom and on the playground. Well done, Jasper!
Noah	Endeavour	Our Star of the Week goes to Noah for his fantastic portrayal of King Charles II in our Great Fire of London class assembly. He spoke loudly and clearly, showing great confidence on stage. Noah also impressed us by asking for acting advice and thoughtfully suggesting his own actions to make his performance even better. A truly wonderful effort – well done Noah!

Star of the Week!

Name	Class	Reason
Kai	Gemini	This week Kai has shone excellently in his work showing great dedication and engagement in all of his learning. He has worked extremely hard in his math work coming up with innovative and exciting ways to tackle problems and helping others out. He also was excellent in our class assembly as a soldier and performed to his best ability. Keep up the excellent work Kai!
Ella	Viking	For demonstrating maturity and responsibility during our educational visit to The London Transport Museum. For looking out for her peers and memorising facts from artefacts seen on the visit.
Zak	Jupiter	Zak was amazing during our trip to The London Transport Museum. He was very responsible on our journey to the museum, taking care of his peers and being respectful towards all the staff during our workshop. On top of it all, he was a great carnival goer, flaunting his fancy headgear and bright colours. Well done Zak!
Ibrahim	Mariner	Ibrahim has made such excellent contributions in class, especially in maths where he has been confidently sharing his reasoning and methodology in class. He also wrote a wonderful free-verse poem called 'Nutella Sandwiches' where he told a fantastic story and expertly used inverted commas to record direct speech. Well done!
Sufyan	Pioneer	It has been lovely to have this week's Star back with us! He has returned to school with a renewed sense of energy and enthusiasm. His poem "Chocolate Cake" made us smile and we really understood why this home-made treat is his favourite. Keep it up, Sufyan!
Maleek	Mir	Maleek, you have had a fantastic half term and have continued to thrive in your learning. You have shown great enthusiasm across all subjects, particularly in your writing, where your outcomes have been excellent. You are a polite, kind and helpful member of Mir Class, and we are very proud of the effort and positivity you bring each day. Well done, Maleek keep up the brilliant work!
Anas	Selene	For his hardwork, focus and determination in using formal written methods for multiplication and division! Well done!
Arthur	Juno	Arthur has shown great enthusiasm across his learning this half term. I particularly enjoyed reading your Viking myth - it contained lots of ambitious vocabulary and very original ideas!
Ilyas	Ariel	For his kindness in the classroom and the playground, demonstrating to others how the TPS school values.

Raising money to help fund school trips, sports & playground equipment and so much more!

Get ready to sparkle: Rainbows & Glitter Disco

Don't forget, on the **first Friday after half term (27 February)** the Rainbows & Glitter Disco will take place from 5-6.30pm, **open to Years 1, 2 and 3 only**. It's set to be a bright and fun-filled afternoon of dancing and disco favourites. Snacks and soft drinks will be on sale for the children, and alcoholic and non-alcoholic drinks will be sold to adults. Tickets are £2.50 per child, payable on the door. Please note: this event is strictly for Years 1-3, no younger or older siblings. Children must be accompanied by a named parent or responsible adult for the duration of the event (no drop-offs).

Could your employer double our fundraising?

Many companies offer matched funding schemes, where they match charitable donations or fundraising carried out by their employees - often pound for pound. This includes **large corporates, banks, professional services firms, tech companies, utilities, insurers and major retailers**. Some employers will even match funds raised at school events or provide grants based on volunteer hours. **It's a simple way to double the value of what we raise for the school at no extra cost.**

We're asking all parents and carers to check with their HR team or company intranet to see if matched giving is available. If your employer offers match funding for our TPA, we can provide any details or paperwork needed. A quick check could make a big difference to what we can deliver for the children.

Doing a Spring clean over the half term break?

Do you have jumpers, cardigans or PE kit that no longer fit? Our Second Hand Uniform Shop is running low and would love your donations! Clean, good-quality pre-loved items are hugely appreciated and help other families while keeping uniform in circulation. It's a simple way to save money, reduce waste and support the school community - thank you for helping us keep the shelves stocked. Please leave it in the TPA cupboard in the office.

We still need auction prizes!

We're still on the hunt for prizes for our Spring Online Auction. If you, or someone you know, has links with restaurants, cafés, attractions, zoos, museums, sports centres, clubs or local businesses, please let us know! Please email tpa@tootingprimary.org

Raise regular donations for the TPS with your weekly food shop!
