Name	Class	Reason
L'maa	Little Explorers	For effectively communicating her wants and needs this week.
Manal	Voyager	For doing good listening and participating well in group interactive activities. Well done Manal!
Aalia	Galaxy	Always making good choices and trying her best
Amber	Apollo	for her sensational effort in phonics! Amber has been so engaged, trying her best and modelling how to put in your best effort to all her friends! Well done Amber
Ryan	Mercury	Ryan has amazed us with his enthusiasm in maths this week! He has been actively participating in the lesson and having a go at our maths activities in choosing time. Well done Ryan!
Suhaib	Atlantis	Suhaib has been working so hard this term, showing off his growing knowledge of numbers above 10 and partitioning them into tens and ones. We have also been so proud of Suhaib's enthusiasm and engagement during class discussions, sharing his opinions and answers thoughtfully! Well done, Suhaib!
Rhea	Enterprise	Rhea has really impressed us this week with her focus and commitment to her writing. She has shown brilliant resilience and hard work, orally rehearsing her sentences and using her phonics knowledge to write about Violet the Pilot. Well done, Rhea!
Jacob	Endeavour	A huge well done to Jacob who worked really hard on his independent writing this week producing a recount of the Great Fire of London that he should be really proud of. Well done Jacob.
Ayesha	Gemini	Ayesha has really impressed us this week with her resilience towards our math topic about money and showing increasing confidence in answering questions independently. She has worked extremely hard. Well done Ayesha!

Star of the Week!

Name	Class	Reason
Myla	Viking	Demonstrating resilience during her end of unit maths assessment by making links between previously taught learning. It has been a pleasure to see Myla grow in confidence in and outside the classroom.
Darcy	Jupiter	Darcy has done a fantastic job with her writing this week! She has gathered interesting vocabulary by writing adjectives to describe pictures before also using conjunctions to join two sentences independently! Keep up the brilliant work Darcy.
Zoe	Mariner	Zoe has done so much excellent writing this week! We have been learning about how chocolate is made and her attention to detail has been impressive as she has created a very comprehensive explanation text. Also she has handled new concepts learnt in maths, column multiplication, really well and tried really hard to follow each step of the process. Well done Zoe!
Chloe	Pioneer	Our Star this week has blown me away with her writing! Chloe has thought very carefully about how to write an explanation text and parts of a non-chronological report in a way that will inform her reader and sustain their attention! Your reading for pleasure is really paying off - keep it up Chloe
Majd	Mir	For amazing us all with your incredible writing about the American Civil War and making great progress with your independent work.
Fouad	Selene	For the huge amount of effort he put into his American Civil War chronological report. I was impressed by the content and presentation and it is already on display in our classroom. Well done!
Rashaun	Juno	for being a joy to have in Juno class! You exemplify our school values and you are an excellent role model to others.
Annie	Ariel	Annie is this week's star of the week. She has shone in all aspects of her school life this week, whether in class working hard on her practice assessments, or in the playground being kind and respectful to her peers. Annie I am so proud of you - keep it up!
