

TPS Newsletter

Friday 21th March

Attendance

Our attendance is **93.7%**
well below our whole school target of **95%**.
Please help us to get back to target level.

Best attendance for classes this week are as follows:

Y5 Mir 88.6%

Y3 Viking 90.4%

 **Y2 Gemini = 92.2%**
Rec Apollo = 92.2%

Well done to everyone!

Attendance Matters

Every student. Every day.

98-100%	<ul style="list-style-type: none"> • Excellent – children are accessing all learning opportunities • 0-2 days absence in an academic year
96-97%	<ul style="list-style-type: none"> • Good – Very few learning opportunities are missed • 4-7 days absent in an academic year
94-95%	<ul style="list-style-type: none"> • Risk of underachievement • Up to 10 school days absent in an academic year
92-93%	<ul style="list-style-type: none"> • High risk of underachievement • Up to 15 school days absent in the academic year
90-91%	<ul style="list-style-type: none"> • Severe risk of underachievement • Up to 19 school days absent in the academic year
<90%	<ul style="list-style-type: none"> • Extreme risk of underachievement • Upwards of 22 days absent in the academic year

Ms Wilson's message

Dear TPS families,
We have made it to the end of the Spring term.
As always at the end of a term we celebrated children who have 100% attendance-well done to those children! We do need to get our whole school attendance back up to 95% or higher- let's make this a reality for the summer term!

Easter

Thank you to Reverend Tim Dennis (St Nicholas Church)  who joined us for our assembly this morning sharing true meaning of Easter.

I hope you all have an enjoyable time with family and friends this Easter break.

Have fun and stay safe.

See you all on the other side!

EASTER Egg Hunt

16th March - 12th April

Hop along for our Egg Hunt! Visit any of the locations below to find out more and take part: Winkworth Tooting | Tooting Market | Blueprint Café | Next Door Baker Talian's | Squeezed

Winkworth

Winkworth Tooting Egg Hunt

The Tooting bunny has hidden eggs in the five locations. Visit Tooting Market, Next Door Baker, Blueprint Café, Squeezed & Talian's to collect your egg stickers, place them on the empty eggs below and colour in the rest of the picture.

Drop this back to our Tooting office with the below details filled in:

Name & Age of Child: _____ Address: _____ E-mail: _____

Name of Parent: _____ Phone Number: _____

Prizes to be won: 1 x £100 voucher to spend at one business in Tooting Market, 1 x 2019 Chocolate Kit from Blueprint, 1 x Drink & Menu for Two from Squeezed, 1 x Surprise Bundle & £75 voucher from Next Door Baker by Kageemo and 1 x Chocolate Egg from Talian's. Competition runs from 16th March to 12th April 2020. Five winners will be selected at random on the 14th April 2020 and will be contacted via phone or e-mail. If you would like to stay up to date with our local events, competitions and property news, please tick here: ☐

RECEPTION NEEDS YOU!

Calling All Everyday Superheroes!

After the Easter holidays, our Reception children will be exploring the theme 'Superheroes in the City' and we need your help!

We are looking for visitors from our school and local community who help others through their job or volunteering.

This could be anything from healthcare, emergency services, teaching, community work, charity roles, or any role where you make a difference.

If you, or someone you know would be willing to come in and talk to our children about what you do, we would love to hear from you!

It's a wonderful opportunity to inspire our youngest learners and show them real-life superheroes in action.

We believe in real role models. 'If you can't see it, you can't be it'.

Please get in touch with the school office if you're interested or would like to find out more.

Alternatively, find us in the morning or after school.
Thank you for helping us bring learning to life!

KS1 CHOIR

THURSDAY LUNCHTIMES

12:15-12:45

Join Miss Sentance in the Music Hall to sing our favourite songs and have lots of fun.

**STARTING IN SUMMER 1
LET YOUR TEACHER
KNOW THAT YOU ARE
INTERESTED!**

Year 3 Trip to Tooting Library

On Monday 23rd March, Jupiter and Viking enjoyed a quick trip to Tooting Library! The children were welcomed by a lovely librarian who read 'The Mushroom of Doom' by Becky Davies. We all enjoyed letting out our best evil laugh to join in on the fun. After the story, the children were able to choose and borrow one book each to take back to class and read. It was a fantastic opportunity to encourage a love of reading and books.

WHAT'S THE SCOOP IN THE DISCOVERY ZONE

Voyager Newsletter

This week in Voyager we had a great time on our trip to the Polka Theatre where we got to enjoy a fantastic sensory workshop related to the class's current topic - transport!

We continued learning about subitizing in Maths using different practical activities.

And for English we finished reading our class book 'The Train Ride' and talked about what we enjoyed most about the book.

EASTER & EID CRAFT AFTERNOON

GALAXY CLASS ENJOY EXCITING THEATRE TRIP

Friday 26th March 2026

A Journey to Remember

On the 24th March, Galaxy Class set off on an exciting trip to the Polka Theatre. The children travelled by bus, chatting happily and looking forward to the day ahead. The journey itself was filled with anticipation and excitement.

Playtime and Performance

Upon arrival, the class made the most of the theatre's outdoor playground, enjoying the climbing apparatus and exploring the space together. Afterwards, they headed inside to the cinema to watch the play Cindersella Ice-Cream Seller. The performance was full of fun and laughter, and the children thoroughly enjoyed every moment.

A Perfect Ending

To finish the day, the class gathered in the lunch hall to eat their packed lunches and relax after a busy morning. It was a fantastic trip, leaving everyone with wonderful memories to share back at school.

What's the scoop in RECEPTION?

Week 4

What a joyful sense of community and belonging we experienced on Tuesday as the children celebrated St. Patrick's Day. There was a real buzz of excitement as they took part in fun maths activities, created special treats, and shared in learning about how celebrations take place in different parts of the world.

Sunshine, discoveries and lots of excitement this week! ☀️ We found a ladybird and counted 5 spots! Was it a double? We'll never know! 🐞 We also explored pouring water, working together to build funnels and see how to make it flow faster or slower.

CLASSROOM NEWSLETTER

What We Learned

Last week, the children enjoyed exploring a wider selection of vegetables through hands-on sensory experiences. They had the opportunity to touch, smell, and closely observe each item, sparking lots of curiosity and discussion.

This week, we got creative by making egg-shaped sun catchers, which we are very proud to have displayed on our classroom door for everyone to see.

We are looking forward to welcoming you all to our Easter crafts session taking place on Friday!

Reminders

PE is every Tuesday. Please ensure that your child is dressed appropriately for each session.

WELCOME TO THE

BROKEN UMBRELLA CHALLENGE COMPETITION

Every year, millions of broken toys and household items end up in the bin.

WE CHALLENGE YOU TO: Take apart some broken toys and everyday items and design something completely new!

HOW TO ENTER:

1 GATHER YOUR MATERIALS::

Find broken toys or household items that are no longer usable from home or ask the librarians for some. You can also collect a few clean recycled materials to add to your build.

2 CREATE SOMETHING NEW:

Use your imagination to transform it into something different! You can:

- Cut, stick, tape or build
- Combine multiple items
- Decorate with colours, drawings, or materials

There are no wrong ideas – be as creative as you like

3 TAKE A PHOTO:

Take a clear photo of your finished creation
You can hold it, place it on a table, or show how it works
Ask an adult or library staff for help if needed

4 SUBMIT YOUR ENTRY:

- You will need to:
- Upload your photo
 - Enter your age
 - Give your creation a name (optional)

TIME TO GET INVENTING!

Copyright 2020, Science Owl Limited

A Letter from Dr Renee

Hello inventors!

I'm so excited to see what you create! Some of the most creative ideas I've ever seen have come from young people just like you. The way you look at the world – with curiosity, imagination, and courage to try something new – is exactly what great scientists and engineers do.

Of course, you can invent with anything! Every object has the potential to become something new when you look at it differently. But I wanted to tell you why this challenge is called the Broken Umbrella Challenge.

Umbrellas are one of those everyday things that often end up in the bin. We use them a few times, the wind blows too hard, and they break. And because umbrellas are made from lots of different materials – fabric, metal, plastic – they're very hard to recycle. But that's exactly what makes them fun to invent with! There's so much to explore, take apart, and transform into something new.

Here are a few of my favourite umbrella-inspired inventions:

- A bright beautiful kite
- A parachute!
- A cot mobile for babies
- A wind spinner that twirls in the garden

Copyright 2020, Science Owl Limited

Dr Renee's Top Tips!

My Top Tips for Inventing

Think like a scientist.
Observe carefully, ask lots of questions, and test your ideas.
Scientists often discover new things by being curious about why something works – or doesn't!

Build like an engineer.
Engineers don't get things right the first time. They design, test, fix, and improve. If something breaks or doesn't work, that's not failure – that's information!

Create like an inventor.
Inventors use imagination to solve problems. There are no wrong answers – just ideas waiting to be explored. Be bold, combine unusual things, and see what happens.

Keep sustainability in mind.
Ask yourself, "How could this help people or the planet?"
Sometimes small ideas lead to big change.

And most importantly – have fun!
Play, experiment, and don't worry about being perfect. Every inventor starts with curiosity and a question.

Good luck, inventors – and please share your creations with me!
I love seeing what you come up with.

Dr Renée

Name	Class	Reason
Ezra	Little Explorers	For showing a growth mindset and improving his number knowledge.
Hassan	Voyager	Our star this week is Hassan for accepting when screen time is finished, for completing his work in good time and for being really helpful around the class. Well done!
Sufyan	Galaxy	For showing outstanding perseverance and making fantastic progress across all subjects.
Callum	Apollo	For putting so much effort into learning his phonics and learning his sounds! Callum has also been sharing, taking turns and showing kindness and care to us all in Reception. Well done Callum, we're so proud of you!
Rio	Mercury	Rio has worked so hard this term and has demonstrated a great attitude towards learning. He tries especially hard in phonics and is a role model to his peers. Keep it up!
Felix	Atlantis	This term we have been practising so hard for our performance all about 'Professor Material's Museum of Marvellous Materials'. Felix showed such resilience and tried his best, even when he was nervous to perform in front of all the parents! Well done, Felix, we are so proud of you!
Sacha	Enterprise	Sacha has really impressed us this week with his engagement in work surrounding 'We're Going on a Bear Hunt'. He has also been a superstar in maths, partitioning numbers into tens and ones. Well done, Sacha!
Andima	Endeavour	This term you have shown great maturity in the way you listen, learn, and respond to feedback. You take on advice thoughtfully and use it to improve your work, which is fantastic to see. Well done!
Sophia	Gemini	This term Sophia has worked extremely hard in all aspects of her learning. She has become a mature and independent learner who is tackling all challenges positively. She is also a fantastic role model to all children in our class and she walks around the school with respect and looks out for everyone.

Name	Class	Reason
Harper	Viking	Harper consistently demonstrates outstanding enthusiasm and a strong work ethic in everything she does. She approaches every task with a positive attitude and is always willing to give her best effort. As a partner, she is supportive, kind, and reliable, making her a pleasure to work with.
Amelia	Jupiter	Amelia was a writing superstar this week! She wrote a fantastic version of 'Escape from Pompeii' using dialogue and interesting vocabulary. It was especially impressive how Amelia independently edited her writing, correcting things like capital letters and commas without support. As it is Amelia's last day today, wish her lots of luck at her new school and will miss her dearly!
Madina	Mariner	Madina has been working really hard this week at understanding her fractions. She has been successfully adding and subtracting both her mixed and improper fractions and it has been wonderful to see her confidence grow.
Ezra	Pioneer	Pioneer's Star has made fantastic progress in writing this year and has recently earned his pen licence. This week, he has written an excellently detailed setting description based on <i>The Explorer</i> . Well done, Ezra!
Alex	Mir	I am so impressed with Alex's growth over this half term, particularly with respect, kindness, and resilience. He has shown great determination when working independently and alongside his peers, plus he was an excellent role model for behaviour during swimming yesterday. You should be very proud of yourself Alex, keep up the fantastic work!
Alejandro	Selene	For his outstanding attitude towards his learning and making excellent progress in all areas of the curriculum this term. I was so impressed by his descriptive Percy Jackson narrative! Well done!
Addaley	Juno	For having such a fantastic Spring term. Addaley has gone from strength to strength in all areas of her learning. She is an asset to Tooting Primary School and to Juno Class. What a fantastic role model and overall ray of sunshine!
Reema	Ariel	Reema has had a fantastic term in year 6. She has been respectful, driven and kind. These attributes have enabled her to progress in all aspects of her school life. Well done Reema- keep it up!

Guitar Lessons at TPS

In-school individual music tuition for your child, with an emphasis on creativity

Be expressive and make some noise!

Fun, relaxed lessons with highly experienced teachers
We progress at the right pace for your child
All levels welcome
SEND kids especially welcome
We can bring out your child's interest in music and give them all the tools they need to express themselves.

Individual guitar lessons at Tooting Primary during the school day cost £26 for 30 mins. We teach from year 2 through to year 6 and beyond.

We've taken our students all the way from their first lesson to releasing their own original music, gigs, music college, or just playing at home for fun.

Ready to start? Contact us:
