Every student. Every day.

Our attendance is **93.8%**

upwards to our whole school target of **95%**.

Please help us to get back to target level.

Best attendance for classes this week are as follows:

Y5 Selene = 97.2%

Y2 Endeavour = 98%

Y6 Juno = 99.1%

Well done to everyone!

DRIVER BEWARE!

Please note that the school driveway provides access only to cars transporting our ASD Base pupils. Other drivers, for safety reasons, are not permitted to enter.

We have had several concerning reports of pupils narrowly missing being hit by cars at the entrance, where they have right of way!

We also understand that parents are parking on the corners, limiting visibility.

Please help to keep the children safe.

Children's Page

Tooting's Got Talent!

Well done to Imogen !

Imogen in Gemini Class has completed a skipping challenge to raise money for cancer research for lung cancer.

She aimed to skip every day in the month of May.

Her original goal was to get to 30 skips in a row but she far exceeded that reaching over 200! She did the challenge with her Mum

CLASS NEWSLETTER

What We've Learned

This week in Lex, we have been focusing on settling back into school and remembering our class routines. The children have worked hard to transition back into the school environment and have done a fantastic job re-establishing familiar expectations and daily structures.

As part of our No Outsiders learning, we have been reading Super Duper You. The story has encouraged us to think about what makes each of us unique and special. Inspired by the book, the children have created their own superheroes, celebrating their individual strengths, talents, and qualities.

These wonderful creations will be displayed in the Lex classroom, and we would love for you to come in and take a look at the children's brilliant work. Most importantly, the display showcases what makes each of us a superhero in our own way!

We are incredibly proud of the creativity and thoughtfulness the children have shown this week.

Photos of the week

We are looking at "The Very Hungry Caterpillar". We explored the book and then have been exploring the days of the week. We have been using makaton and other supports

This week we have been counting using lines, arrays and other layouts. We have been trying out subitising using recognisable patterns.

Miraj, our Star of the Week
mastering his targets.

This week we explored
rice, raw and cooked.

Galaxy News

This Week In Class...

The children in Galaxy have been enjoying shopping trips as part of their life skills lessons. During these visits, they have been learning valuable everyday skills such as writing shopping lists for cooking lessons, counting money, and cashing items at the till. The children have shown great enthusiasm and confidence while developing their independence in real-life situations.

A special thank you to all the parents for your support and companionship on our shopping trips – your help and enthusiasm are truly appreciated.

Discovery Zone - EY - KS1

Little Explorers

Eddie- For sharing with his peers during bucket time and making independent choices using visuals.

Voyager

Miraj- For brilliant Maths work, subitising numbers and working on regulating his emotions.

Galaxy

Arisha Khan: for always contributing thoughtful and creative ideas during class discussions

Apollo

Rayya has had a spectacular start to Summer 2! She has dazzlwd us with her positive attitude to phonics and has shown real determination and effort to write a sentence. Rayya has also been such a great helper and shown real kindness towards her peers. Keep it up Rayya!

Mercury

Olia consistently demonstrates the TPS values and is a role model to her peers. This week, she has been learning about how to protect our forests and drew the different animals that live there. Olia used her phonics knowledge to describe the forest and created her own drawing with it. Keep it up Olia!

Atlantis

Jay has been working incredibly hard with his phonics and continues to make great progress. It is lovely to see how much effort he has been putting into his learning, and it is clear that all of his practising is paying off. We are so proud of the progress he is making – well done, Jay!

Gemini

Robert this week has truly impressed us with his commitment to his work. He has been using his phonics to write sentences independently in English. Additionally, he is excelling in his maths using prior knowledge to tackle problem solving skills. Keep up the good work Robert!

Enterprise

Barzah is our Star of the Week this week for her commitment and resilience with her presentation. She has worked so hard and has made brilliant progress, thinking carefully about her handwriting. I was so happy to see her be so proud of the work that she has produced this week. Well done, Barzah!

Endeavour -

Andima has been really mature and engaged with her learning this week. She has been approaching every task with a positive attitude, listening carefully, and always trying her best. It has been lovely to see her growing confidence and enthusiasm in the classroom. Well done, Andima!

KS2

Viking

Benicio has wowed me this week with enthusiasm for all his learning! From a fantastic knowledge poster in Geography, to amazing dance moves in PE, Beni has shown real interest and determination in his lessons. Keep it up and well done!

Jupiter

Jasper has been a writing superstar this week! He has written a great narrative with an interesting chase scene and has included all of our successful features. Additionally, Jasper has created fabulous illustrations to go with his story!

Pioneer

This week's Star could be a Star for reading every single week! No matter the text, Abbas always has interesting ideas and really well thought out inferences. Keep reading widely!

Mariner

Ruaa always shows so much kindness to those around her, she is such a good friend and includes anyone in her games and never lets anyone feel left out. Not only that, but she has an amazing attitude towards learning - she tries hard in every lesson and always strives to do her best work. Well done Ruaa!

Mir

I am extremely impressed with the positive mindset that Mustapha has returned to school with for this final half term in Year 5. He has shown great engagement with his learning by working collaboratively with his peers, taking care with his work, and demonstrating a mature and sensible attitude when travelling to and from swimming. Mustapha should be very proud of the effort he is putting into all areas of school life. Keep up the super work!

Selene

Zoya has impressed me this week with her resilient attitude towards maths. She has shown an excellent understanding of negative numbers. I have also been impressed by her creative character description based on our Northern Lights unit. Well done Zoya!

Juno

Wadood is our star this week. He always follows our school values, shows kindness to others and has settled in so well after joining our school last half term. I also share his enthusiasm for crossword puzzles and love to see him eagerly complete them in our copy of The Week Junior!

Education Wellbeing Service Webinar

Understanding and Managing Screen Time for Primary School Children

Join us for this one-hour webinar designed specifically for parents and carers of primary school-aged children. We'll explore what current research tells us about the impact of screen time on younger children, including the potential benefits and risks.

While screens are increasingly part of everyday life, from educational apps to gaming and TV, many parents wonder how much is too much, and how to guide their child's use in a healthy, balanced way.

This session will explore what the science says about screen time for children, separate common myths from facts and offer practical tips to help manage screen use at home in a positive and age-appropriate way.

MAGIC & IMAGINATION

16 MAY - 30 JUNE

If My Pen Was a Magic Wand..
Toothing Library

Saturday 20th June 10:30am

What if your pen was a magic wand, and could help you to write your own
powerful spells?

Poet Patrick Evans and musician Ri Baroque invite you for a fun and interactive
writing session, all about Magic & Imagination. Using games, writing activities
and musical inspiration, you'll learn how to write your own magic spell, and see
and hear the musical magic inside your own writing.

Suitable for ages 5+ and all writing levels and abilities. All writing materials
provided.
