### Ms Wilson's message

What a fabulous week we have had. As always families, you have all participated beautifully in World Book Day! It is lovely to see the costumes and how they represent the children's favourite reads.

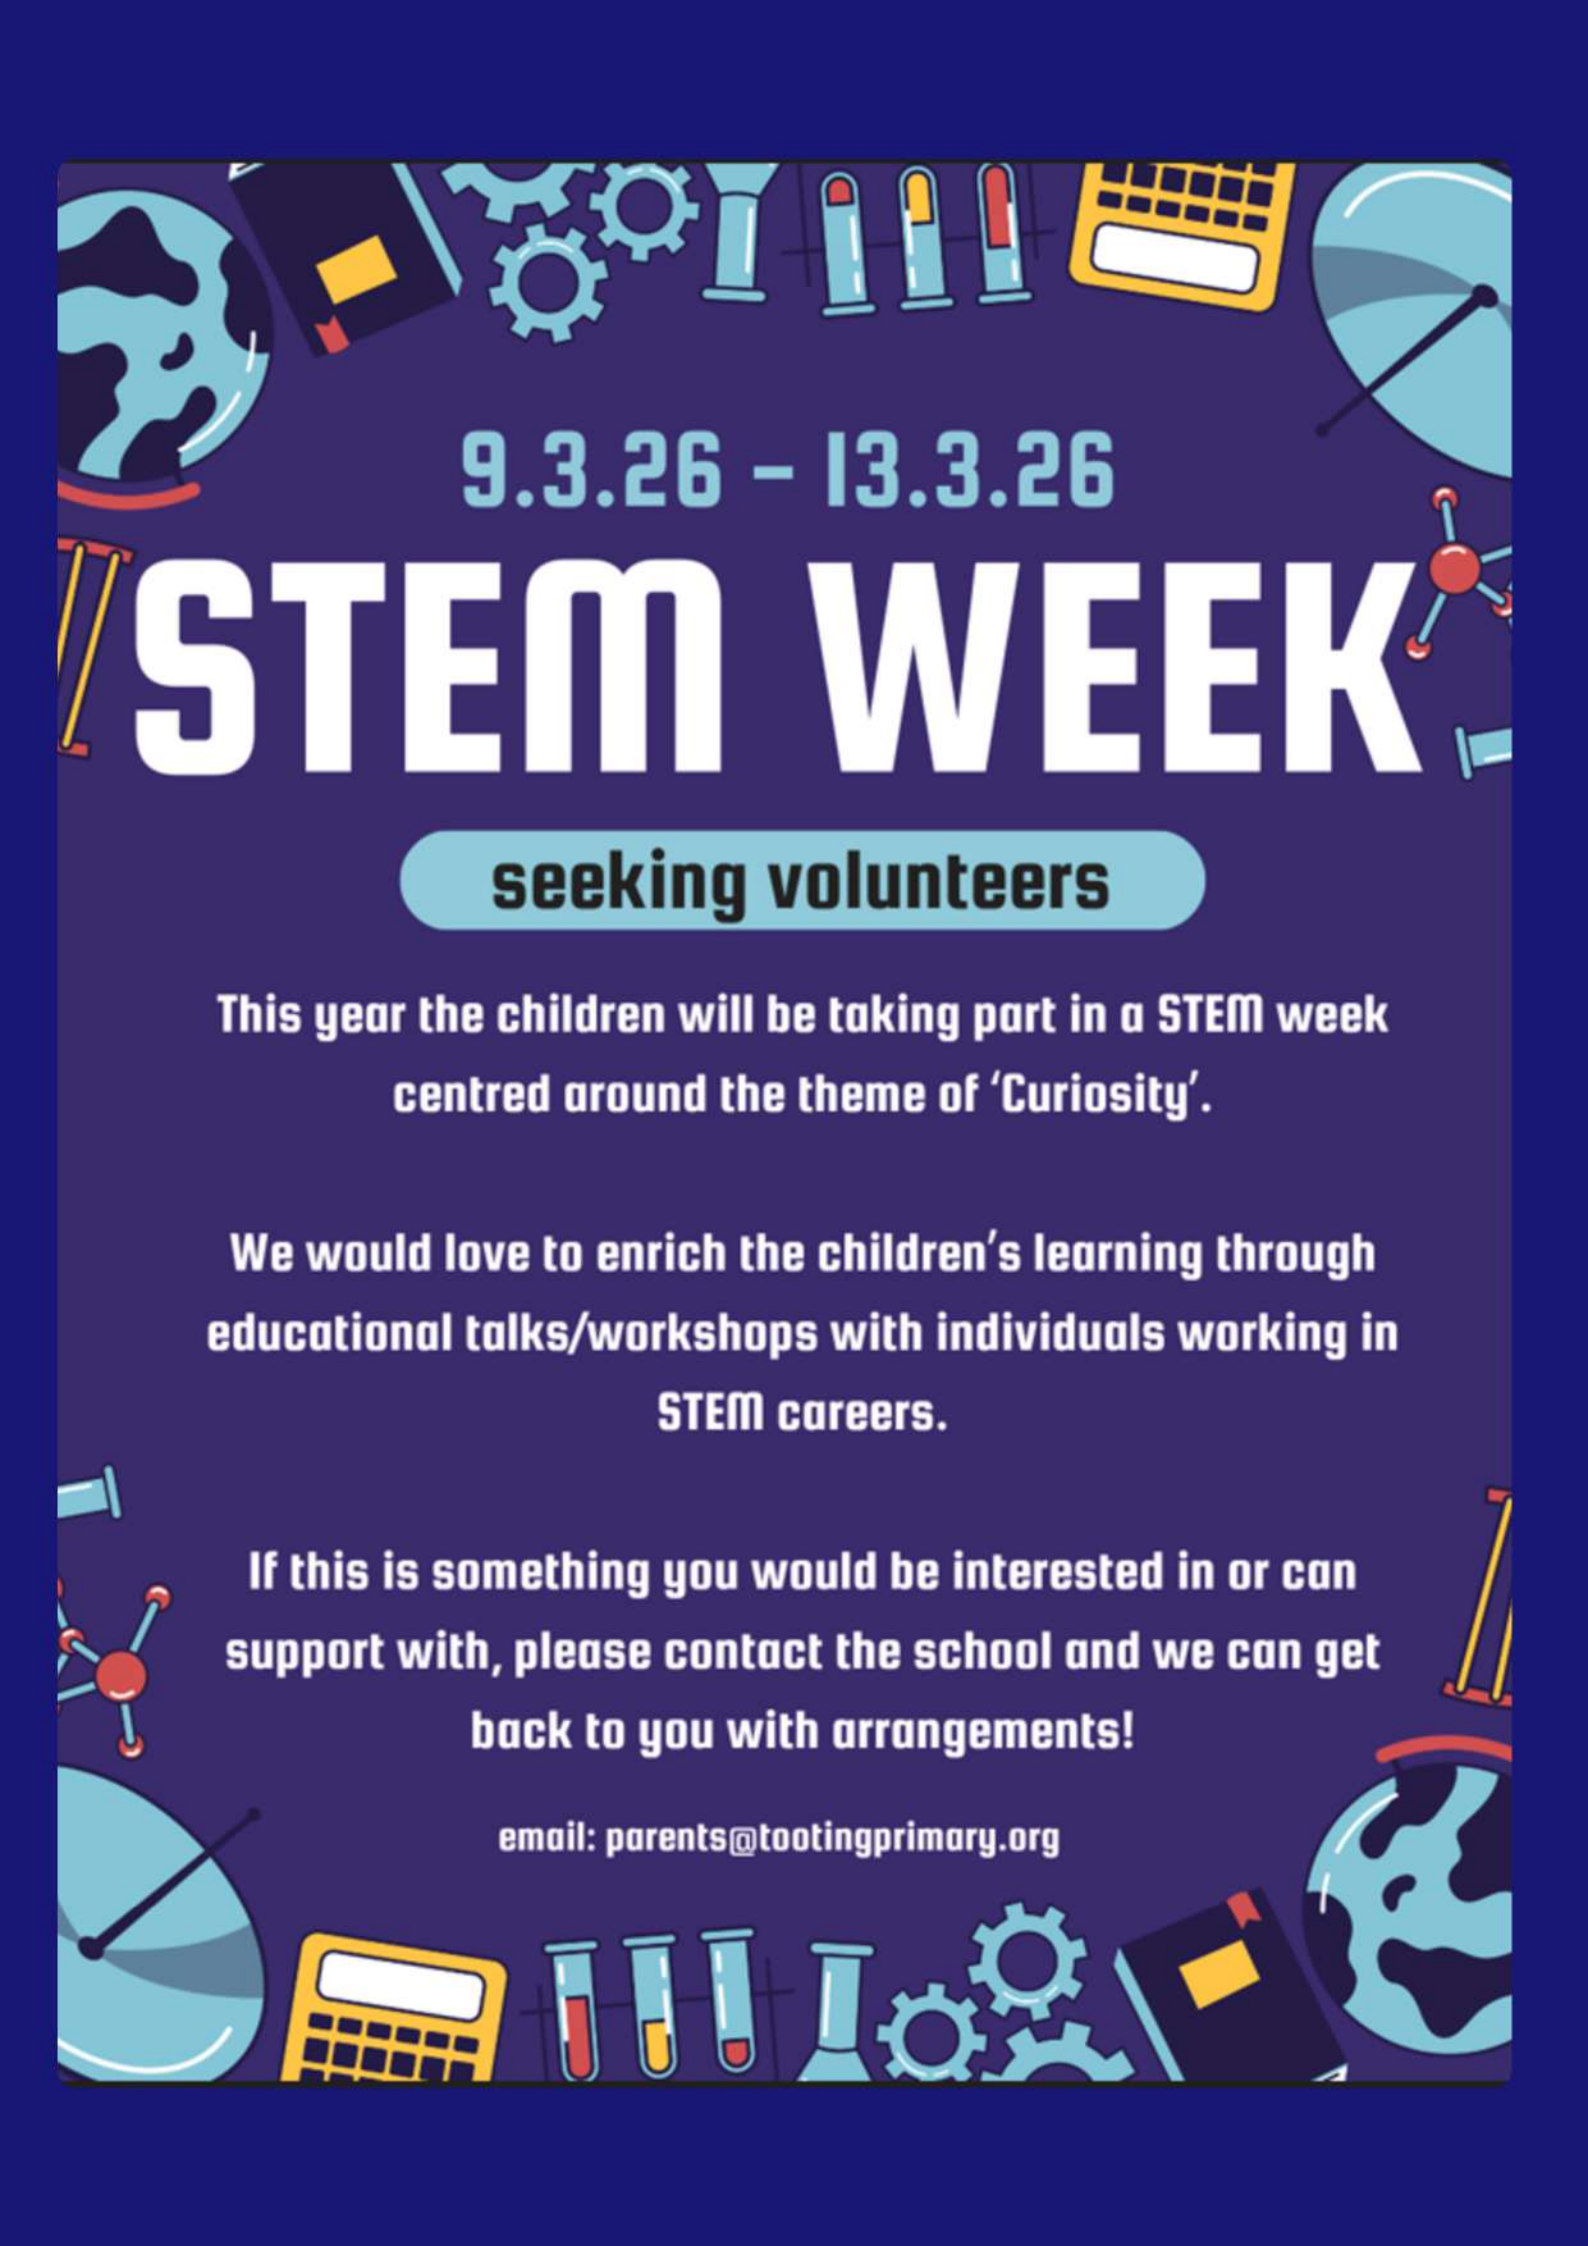

The most fun was had by all the pupils and staff yesterday. The reading relay had the teachers up and down the stairs, keeping fit, as they ran to every single class in the school to read their chosen book. The squeals of delight from the children as each teacher entered the room was heart warming.

Big thanks to Mr Lamptey and Ms Thomas for their organisation incorporating art and reading into the theme this year.

Thanks to the TPA for the very apt prize of a book token- we most definitely want to keep the reading bug going!

Thank you to the TPS team- we showed up yesterday!

# STEM WEEK

**seeking volunteers**

**This year the children will be taking part in a STEM week centred around the theme of 'Curiosity'.**

**We would love to enrich the children's learning through educational talks/workshops with individuals working in STEM careers.**

**If this is something you would be interested in or can support with, please contact the school and we can get back to you with arrangements!**

# Year 3 Geography Workshop

On Wednesday 3<sup>rd</sup> March, children in Jupiter and Viking enjoyed a lovely Geography workshop led by the Freshwater Theatre Company. The children deepened their understanding of natural disasters such as earthquakes, tsunamis and volcanic eruptions through role play. They also learnt what to do during certain earthquakes through practice drills.

Thank you to the TPS for funding this event for our children!

It has been wonderful to see so many children coming to the prayer room in preparation for Eid. The turnout has been amazing, and we are so proud of the enthusiasm and respect the children have shown.

### CLASSROOM HIGHLIGHTS

This week in the Base we have had a wonderful time exploring our topic of trains. The children have really enjoyed learning about different trains, the sounds they make and how they move.

We were also very lucky this week to have some of our Lex parents come into school to help make their Time for Fun with Food session extra special. Thank you to all the parents who came in to support – it was lovely to have you join us.

A big thank you as well for joining in so enthusiastically with Danny Go – Go! The children loved sharing the fun with you!

## GALAXY NEWS

### HEALTHY EATING

As part of our Healthy Living topic, Galaxy Class had a fantastic time making their favourite fruit salad this week. The children began by creating their own shopping lists, writing instructions for how to make their fruit salad, and designing what their final dish would look like. They then visited the cooking room where they carefully prepared and made their fruit salads.

The children really enjoyed the experience and were especially excited to share it with the parents who joined us. It was a wonderful activity that helped build independence and healthy eating habits. Well done to our brilliant chefs in Galaxy Class!

### WHAT WE LEARNED

This week in Voyager Class we continued exploring the themes of transport from our English story book, *The Train Ride*; packing for a trip, role playing at taking a journey and identifying different sounds from our own journeys in to school. For Maths we have been busy measuring objects and working out which is shorter or longer. On Thursday, World Book Day, the book we chose was *'The Tiger Who Came to Tea'* and we had a fun filled day listening to the story and doing craft related activities. We also had our first 'Fun with Food' session exploring a variety of different fruit. We had a delicious time touching, smelling and tasting.

# TPA Newsletter

6 March 2026

Raising money to help fund school trips, sports & playground equipment and so much more!

## Easter & Eid bake sale & craftanoon

Friday  
20 March

## Ready, set... bake!

Join us on **Friday 20 March from 3.15–4.30pm for our Easter & Eid Bake Sale & Craftanoon**, a great opportunity for our school community to come together and celebrate both festivals. There will be plenty of delicious homemade cakes and treats to enjoy, and children will also have the chance to decorate biscuits and take part in some fun craft activities. Start planning those bakes now - we're egg-cited to see what everyone brings and discover who is the star of the day!

## Name it, claim it & fundraise with *easy2name*

Our lost property box is overflowing with jumpers, cardigans, fleeces and coats as the children shed their layers in the warmer weather. The school lost property reps will return any named items to their owners, but many pieces of uniform still have no name in them. Please remember to label everything - from clothes and shoes to sports kits and water bottles - so lost items can find their way home. You can order labels from [easy2name.com](http://easy2name.com), with 20% going to the TPA when you use our code. **FR-TOOTING-93.**

Thank you to everyone involved in the Years 1, 2 & 3 disco

*We raised  
£602.61!!*

## Final call-out for auction prizes!

Our Spring Auction will kick off in a couple of weeks so we're doing our last shout-out for prizes. If you have anything you think people would like to bid for, do let us know as we would love to include it. Vouchers to gym classes, trips to local museums, a stay in a holiday home, a voucher to a restaurant... Please email [tpa@tootingprimary.org](mailto:tpa@tootingprimary.org)

## Raise regular donations for the TPS with your weekly food shop!

### HOW TO GET INVOLVED:

- 1 Download the **easyfundraising** app
